

LIFT TRUCK CARRIAGE QUESTIONNAIRE

Magnum Plus is your non-stop material weighing and handling solution. The benefits of weighing on the move in material handling applications are significant. Save time, space and money while increasing operational productivity, reducing vendor discrepancies and improving physical inventory management. The return on investment begins immediately and is realized quickly.

Learn more about the benefits of weighing on the move with MSI's Magnum Plus Lift Truck Scales. To expedite a quick quote or dealer demonstration, please print and complete this questionnaire, then fax it to MSI at 206-244-8470, or return by mail.
